SUSTAINABLE FOOD SERVICE PACKAGING

GLOBAL TRADE. LOCAL EXPERTISE

REDEFINING PACKAGING WITH RESPONSIBILITY.

COMPANY INTRODUCTION

Every plate served today is a promise kept to the world of tomorrow. Crafted from natural sugarcane bagasse, our tableware turns daily dining into a conscious step toward a zero-waste future. Small change, global impact.

About Raghvika Overseas EXIM

Raghvika Overseas EXIM is an international trade and sustainable packaging company committed to delivering eco-conscious, export-quality products worldwide.

We specialize in food service packaging, biodegradable solutions, agro-based products, and global trade services. Our mission is to bridge global markets with high-quality Indian products while promoting environmental responsibility.

OUR VISION & MISSION

Our Vision

To become a globally trusted export partner in sustainable packaging and eco-friendly products.

Our Mission

Promote biodegradable alternatives

Support global sustainability goals

Deliver consistent quality

Why We Are the Right Partner

Build long-term partnerships

WHY CHOOSE US

- ✓ Export-Ready Quality Standards
- ✓ Sustainable & Eco-Friendly Products
- ✓ Competitive Pricing
- ✓ Strong Supply Chain Network
- ✓ Custom Packaging Solutions
- ✓ Timely Global Delivery

LET'S CREATE IMPACT THROUGH SUSTAINABLE PACKAGING

At Raghvika Overseas EXIM, sustainability is not just a product category — it is our responsibility. We believe packaging should protect not only your product, but also our planet.

With a commitment to eco-friendly innovation, global trade excellence, and responsible sourcing, we deliver food service packaging solutions designed for the future.

From concept to export, we stand as your reliable partner in building a greener supply chain.
